Yacht enthusiasts will likely be the residents at Frenchman's Yacht Club, a luxury condominium near the Intracoastal Waterway in Palm Beach Gardens. The property, developed by Avatar Holdings of Coral Gables, will overlook the Loggerhead Club & Marina.

Four buildings of four and five stories will have 113 residences that range from 2,800 to more than 3,600 square feet. Prices of the units, which have two and three bedrooms, range from \$1.3 million to more than \$2.5 million. Condominiums will feature gourmet kitchens with Viking appliances and granite countertops, marble baths and impact-resistant windows.

Residents will have social and spa membership opportunities at the nearby Ritz-Carlton Golf Club & Spa in Jupiter, and priority dockage at the 133-slip Loggerhead Club & Marina. The community's Residence Yacht Club will be complete with a state-of-the-art fitness center, swimming pool, sauna, business center and reception facilities.
